

Letters To Santa

All Week Long

There will be a special mailbox in the Beach Club Circle this year. We wanted to make sure that Santa was able to get everyone's list of Christmas wishes, so all letters put in this mailbox will be delivered directly to the North Pole!

Write your own Letter to Santa or pick one up for the kids to fill out. Letters to Santa will be available at The Activity Center throughout the week or Friday at the Gingerbread House Dropoff.
